

## **Dream Team : Mark Hewitt**

*I am 43 years old and supported the Comets since the mid 70s*

### **Carl Stonehewer**

This guy would be the number one in anyone's side. His latest comeback from injury shows the class of the guy. Stoney is a true legend.

### **Simon Stead**

Far and away the fastest and most exciting Comet I've ever seen. True entertainment on a bike.

### **James Wright**

Fantastic rider who passed most of his victims on the fourth bend. Sadly missed at Derwent Park.

### **Brian Havelock**

Mr dependable - always got his average and a true captain.

### **Peter I Karlsson**

Very stylish rider and big points scorer in his time. Unfortunate to end his career through injury.

### **Robert Maxfield**

Likeable Aussie who always gave his all for the Comets. Rob was a real top bloke.

### **Kauko Niemenen**

Class on a bike. Very fast around Derwent Park and a decent guy to boot.
