

We Want Wimbledon

Artist's impression of new Wimbledon Stadium

A campaign to ensure the continuation of greyhound racing on the Plough Lane site that it has occupied since 1928

WWW needs you!

It is crunch-time for Wimbledon Greyhound Stadium and WWW needs your support to save the last greyhound stadium in the Capital.

**Our aim is to ensure that Merton Council give a fair and impartial hearing to the plans submitted by Paschal Taggart to build a world class greyhound stadium at the Wimbledon site in Plough Lane.
(check out Youtube - search 'Taggart Wimbledon')**

This will bring significant employment opportunities and local trade to an often neglected corner of London SW17
